Communication & Language Practise in play

The Language of Explanation

It is the same because...
 It looks the same because...
 It is different / They are different because...
 It is not the same.
 This is.....and that is.....
 It sounds the same because...
 It tastes the same because...
 It feels the same because..
 I've got theone
 It's the same/ different ...
 It's the same number
 They / We both have...
 There is one more..... Its one less.....
 Another one.....
 I have more.....
 They/We have two each
 Altogether I have...
 I think...
Vocab
 Crawl, woods, slither, pond, sea, forest, farm, tree

Literacy

Each week enjoy your
 - Phonics sheet

- Reading for pleasure (fun) book
- Guided Reading book
- Practise forming patterns

Personal, Social & Emotional Development

Show us how do you look after your teeth?

Read a book, look at an image, watch a short video clip and explore the emotions you see. Reflecting on the emotions we see in others can be a great way to develop our understanding of our own emotions and how those emotions affect us.

Physical Development

Can you run, swim, go to gymnastics? Can you hang, slide or swing? Show us all of you moves! Photos on Tapestry please.

Expressive Arts and Design

Can you create a mini beast from the things you can find?

Physical Development

Fine motor & Handwriting

j y g q b p k v s r f x z

Jellies and Zig-zags

Loopies and Waves

Mathematics

Collect some sticks and lay them out in size order. Which ones are larger and which are smaller?

Understanding the World

Do you have any pets at home, or see animals out and about? We would to see the animals you can find. How do you look after them?

Can you go on a mini-beast hunt?

Can you find any books about animals and dinosaurs at Sittingbourne library?

Take a walk somewhere. This could be in a local park, some woods, a beach, the garden, or your street. Can you take a phone/camera to collect some photo or video 'samples' of spring and then investigate what you found once you're back at home? Please note, some plants are protected so it's best to take photos/videos rather than taking anything home. If it has naturally fallen on the ground then you might be able to take it home but do check before you do so.
