

Introducing Task Master...

This term we started our own Taskmaster Journey with 'Taskmaster Education'

"Taskmaster Education takes the joy and silliness of the hit Channel 4 TV show and uses it with children to promote teamwork, critical thinking, creativity, problem solving and communication skills."

This term for our first Task Master challenge we were given the task to re-create famous landmarks in the outdoors using only natural resources.

This is the first of six tasks that our school will be set by the Taskmaster. We will receive a new task at the beginning of each school term.

We hope you enjoy reading our Task Master Newsletter and seeing the children's wonderful and productive creations.

FOREST COMMUNITY

21ST OCTOBER 24

What did the children from Forest think of our first Task Master Challenge?

Alba, Ash Class - "I liked the sticks."

Felicity, Ash Class - "I like the texture of the leaves."

Amelia, Elm Class - "I enjoyed building with others."

Teddy, Beech Class - " I liked that we got to build, get muddy and be outdoors."

Avalon, Yew Class - " I liked working with different year groups."

FOREST COMMUNITY – 21ST OCTOBER 24

SKY COMMUNITY

What did the children from Sky think of our first Task Master Challenge?

Ruby, Kestrel Class - "It was more fun than being in class learning, I liked playing with sticks and digging."

Jenson, Owl Class - "I enjoyed it because we got to be outside instead of being in the classroom."

Kobe, Owl Class - ".I loved it! We used natural materials to make some really cool stuff"

Grace, Kestrel Class - "I liked working with children from the younger years, I made a new friend in year 5."

SKY COMMUNITY – 22ND OCTOBER 24

OCEAN COMMUNITY – 21ST OCTOBER 24

What did the children from Ocean think of our first Task Master Challenge?

Albie, Seal Class - "It was so much fun building with materials."

Matilda, Seal Class - "It was fun collecting all the sticks and stuff."

Elsie, Dolphin - "It was fun, and it builds my confidence up working in STEAM teams."

Sam, Dolphin - "It was very good, it was inclusive."

Rowan, Dolphin - "It was nice to work on teamwork and develop new friendships."
