

# Forest School Fun for the Holidays!

Look at a cloud and say what you think it looks like.

Throw rocks in a river, pond or puddle.

Have fun with water, draw a picture on the pavement using water.

Write a list of all the advantages and disadvantages of using a campfire or fire pit.

Hug a tree.

It is said it will make you feel better!

Practise Fire Lays with Sticks.

What different Fire Lays can you name?

Read a book in the woods.

Build a rock tower.

Slide or roll down a sand or grassy hill.

Draw Pictures in the dirt.

Build a house for Fairies or trolls!

Plant Wildflowers.

Have a race with twigs in a stream.

Go for a walk with the family and see how much rubbish you can collect.

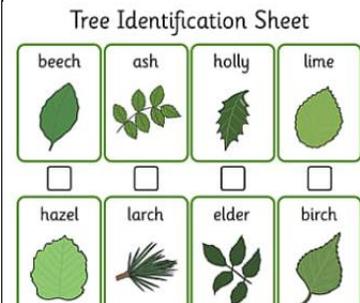

Make a Sun or Dream Catcher using natural resources, what could you use?

Create a Nature collage using only natural resources.

Collect some leaves, can you identify the tree it belongs to? Then use the leaves for leaf printing.

Build a den! Using sheets, blankets and pillows from home.

Put Bugs in a Bowl and Observe them. How many legs? Does the bug have wings? Can you identify it?

Remember if you are unsure what something is to always check with an adult first!

Create a Leaf Puppet.

Make a Natural Paint Brush. What Materials could you use?

Make Salt Dough and then use the Dough to print leaves. (with an Adult)

Lay under a tree and write down all the noises you can hear; all the smells you can smell.

Make a Nature Crown or Bracelet.

Go for a picnic! And take the teddy's too!

Create your own drawing tree!

Make a boat!

Create your own 'Stick Man' Picture!

Create a Nature Weave

Make and Design a Wind Chime.

Remember to send us photos off what you get up to, we would love to see!

Have a fabulous Summer and we look forward to welcoming you all back in September!
