Thank you.

This Term, our year 5 students will have the chance to visit our sister school, Aspire. During this visit, they will assist in the development of a new Forest School Facility for the children at Aspire to utilise in the future. We believe this is an incredible opportunity for our students, allowing them to unleash their creativity and engage with a different ecosystem. We hope you share our enthusiasm for this experience. The children will arrive at Iwade / Bobbing as per usual and be transported in the school minibus to Aspire, they will then be returned to school.
