

Meet our new Iwade Diversity Ambassadors

2023 - 2024

At the beginning of the year, Mrs Stewart was approached by two Year 6 pupils who felt there was the opportunity for a new role for children to promote and celebrate diversity in our school. All year 6 pupils were given the opportunity to apply to be a Diversity Ambassador and each of the successful applicants displayed the qualities and skills they would bring to make the group successful.

Nathan and Toby (from Sky community) felt the group would be important for these reasons:

We decided to create this group to show that being a diverse school matters. It also shows that no matter what your appearance is that everybody is accepted as one big family. Iwade School is a unique, inclusive, welcoming, aspirational, diverse and extraordinary school. Iwade stimulates children to learn about being diverse and show why it's important.

This term on the 15th January, with the help of our Ambassadors, as a school we celebrated Martin Luther King Day. The Year 6 representatives created and delivered class assemblies throughout the school. These explained who Martin Luther King was and the message he wanted to spread. Through delivering the assemblies, the children hoped to share the message of equality too! Ask your child what they learnt about diversity from our team!

The Ambassadors are very much looking forward to continuing to spread the message of Equality, Inclusion and Respect!
